CAMP FELLOWSHIP IS NOW IN FULL SWING

Children of Several Homes Are Enjoying Privileges of Catawba River Camp

Three years ago the Men's Fellowship Club of the Charlotte Second Church gave money to the Presbyterian Orphans' Home to build a camp on the Catawba River, and this gift was supplemented by that of an out-of-state individual to make possible one of the loveliest recreational points anywhere in North Carolina.

If the veracity of that statement is doubted, the doubters are urged to take a trip of 8.2 miles from the office to see this camp. Particularly should this be planned when a concourse of happy boys and girls are frolicking about the grounds, boating on the river, or bathing in it, using some of the many amusement devices over the place, or gathered around the open-air oven when the aroma of a meal all but makes you wither in hunger.

This marks the third successive summer that at least 1,000 boys and girls have enjoyed, or will enjoy, the privileges of the camp. This number includes every boy and girl at Barium Springs, and groups from the Children's Home in Winston-Salem, the Children's Home in Lexington, Mills Home in Thomasville, and the Intermediate Conference of Concord Presbytery. In addition to these boys and girls hundreds of other people in this section have used the outdoor facilities for supper and picnics.

The policy of Jos. B. Johnston, superintendent here, is to give every child at Barium Springs one week at camp. Should a boy or girl fail to get a vacation, then they are given an extra week in August as the final and concluding fifth week that Barium Springs uses it. Mills Home will have it for a couple of weeks this year, and one week for those in Children's Homes at Winston-Salem and Lexington. The Methodist Protestant Home at High Point used it last year, but they could not make the arrangements this summer.

It is one of the most popular points anywhere in this section of North Carolina. Officials at Barium exercise all care possible in seeing that only one party is using the facilities at one time. The policy is to grant the first request made and give that party written permission to use the camp. Many have to be refused,

First Quarter Giving About Same As '39-'40

Amount Received was $34.61 Less.—Other Interesting Facts Are Revealed

The Synod of North Carolina gave a sum in the first quarter of 1940-1941 that was almost identical with the total received in April, May and June of 1939. The aggregate welcomed here was $6,386.11 in the first three months of this year, and that's only $34.61 shy of the $6,420.72 of the corresponding period a year ago. By the end of June, 1939, $101.00 had arrived as 1939 Thanksgiving Offering and had the same reports been available last month, the giving of Synod would have been superior for the first quarter.

Of course, that $6,386.11 would not take care of the expenses that have to be incurred in a single month of the year, which means that Synod has not given enough in three months to take care of the obligations of one month. However, this is the usual pattern of giving, and the responses of Presbyterian friends have followed the usual groove in the first three months. There should be a pick-up in receipts in July, for a good many places report on a quarterly basis, and the first quarter is now over.

Here is the way the Presbyteries lined up in their per capita giving on June 30th:

Presbytery	June Receipts Regular	Am't. Per Mem.	Total Per Rec'd. Mem. for Year
Winston-Salem	$ 181.64	3.6c	11.5c
Albemarle	210.94	4.6c	9.6c
Meck.	888.07	4.8c	9.2c
Concord	487.82	3.9c	8.6c
K. Mtn.	207.34	3.4c	8.1c
Orange	299.74	2.2c	7.7c
Fayetteville	466.45	3.5c	4.8c
Wilmington	170.04	2.1c	4 c
Granville	74.59	1.2c	2.5c
SYNOD	$2,986.63	3.4c	7.3c

Sunday Schools were responsible for $3,180.87, or 49.8%, of the $6,386.11 that Synod gave in April, May and June; Church budgets allotted 34% of the income, or $2,171.46, and the Auxiliaries contributed $1,033.78, or 16.2% of the aggregate. The distribution of receipts according to organizations in each Presbytery follows:

Presbytery	Ch.	S. S.	Aux.
Albemarle	$ 61.19	$ 196.88	$ 181.48
Concord	337.22	594.31	130.00
Fayetteville	76.88	483.83	78.66
Granville	None	95.06	67.00
K. Mountain	20.30	355.40	111.75
Mecklenburg	967.10	618.55	114.00
Orange	255.96	512.29	198.64
Wilmington	112.15	169.39	44.25
W.-Salem	340.66	160.16	108.00
Totals	$2,171.46	$3,180.87	$1,033.78

During the first quarter, 317 organizations participated in the support of Barium Springs, with the Sunday Schools overwhelmingly

GOOD NEWS

Information has been received here that the Business Girls' Circle of the Mallard Creek Presbyterian Church in Mecklenburg Presbytery has decided to give fifty cents a month to the work at Barium Springs. Not only has the information been welcomed here, but a check for $1.50 for the first three months of 1940-1941 has arrived.

There were one or two other good news items that appeared likely for the July issue of The Messenger, but since a definite confirmation had not been received at the time of going to press, they will not be listed. Surmises were drawn here when certain funds arrived, but this article is devoted to fact and not to conjecture. Maybe these will be available for the August issue of the paper.

Home-Coming Day In August '41 Proposed

This Would Be An Appropriate Part of the Semi-Centennial Celebration

It has been mentioned in the fall meeting on Home-Coming Day that it might be advisable to have two Home-Coming affairs - one in the fall and another in the summer, with August as the most logical month. No definite action has ever been taken by the Alumni Association of Barium Springs authorizing this assembly in August, but it is a pretty definite conclusion now that arrangements will be made to have such a Home-Coming in August of 1941. Once started, these will no doubt continue on their own momentum.

The summer of 1941 is a most logical time to have the greatest Home-Coming in the history of Barium Springs, for 1941 is when the Home celebrates the semi-centennial year of its establishment here. More recent graduates of the Home are particularly interested in the fall affairs, because there is always an interesting football game to watch, but a good many of the so-called "old-timers" finished at Barium long, long before football was inaugurated at the Home.

This suggested affair for next August has been mentioned to several of the Barium graduates. It was particularly broached to 1900 and 1908 graduates when they visited Barium Springs recently, their visits simply happening to coincide. They were heartily in favor of it. When the Durham alumnus left he called to the Orangeburg, S. C. alumnus. "I'll see you in August of 1941."

Alumni can now place it upon their calendar that this Home-Coming celebration will be next year - around the middle of the month - so vacations can be planned a whole year in advance, if such be necessary. All alumni of the Home are urged to start making arrangements now, and those who have families will, in all likelihood, have them along. The children ought to see the Home which harbored their mothers and fathers. A good many children have already been here, and when their fathers start telling of their escapades to officials of Barium, the boys and girls look up at their fathers in wonderment and incredulity.

Of all events that might be planned for the semi-centennial year, none would be more timely and appropriate than that of the former boys and girls at Barium. Get in touch with your friends now and tell them to meet you here in August of 1941. The date hasn't been set, but it will be near enough for the moment to mention around the middle of the month.

It might be interesting to see

Montreat Conference Results Are Reported

Complete Account of the Findings Committee Covers Many Fields of Effort

A majority of the Orphans' Homes in the Southern General Assembly were represented at Montreat the latter part of June, when the Orphanage section of the Presbyterian Educational Association of the South met preliminary to the main meeting of the educational body. Attending from Barium Springs were Jos. B. Johnston, superintendent, who was program chairman for the discussions; R. G. Calhoun, principal of the schools here, and Ernest Milton, Treasurer. Mrs. J. A. Hartness, a Regent from Raleigh, attended the opening session of the conference.

In addition to the regularly outlined program, a special guest was Dr. Harry W. Hopkirk, who has been made Executive Secretary of the Child Welfare League of America and who will assume those duties in September. In the meantime, Dr. Hopkirk is making a survey for the Russell Sage Foundation preparatory to writing a book on his findings. He was in this section visiting many Homes and took advantage of sitting in on the opening session of the conference and talking to the group.

Perhaps the best account of the deliberations is a report of the findings committee appointed and who reported to the general educational conference. These findings, which were prepared by Jos. B. Johnston and Miss Jane Russell, of Grandfather's Home, who was secretary of the group, will be incorporated in the 27th annual report of the Presbyterian Educational Association. They are as follows:

"The Orphanage group began its meeting on the night of June 26 and had four group meetings prior to the convening of the general conference. One of these meetings was devoted to the accomplishments and desires, 'Bragging and Wishing'. One meeting was devoted to a study of the contacts of children with relatives, the responsibility of the institution toward its graduates and to the treatment of backward children. The third meeting considered methods for inducing better behavior and considered rewards rather than punishments. The fourth meeting was devoted to methods of financing.

"At the first meeting the record of accomplishments or things to be thankful for embraced a wide variety of matters and included the number of graduates now in the ministry, the cordial co-operation of a governing board, the completion of buildings and material equipment, the removal of debt, the better financial standing, the loyalty and effective work of the staff, and the eager co-operation of the children in plans for improvements and better morals.

"The report of the things desired, while not covering as great a range as the accomplishment report, indicated a most wholesome desire on the part of the institutions represented to reach the most needed group and to render the most effective service regardless of whatever additional hardship or expense there might imposed in so doing. Mention was made of a desire to reach out a helping hand either in material things or in ideas to render service to the children in the warring nations in Europe and Asia.

"In the meeting in which family relations were considered a tendency was noted of a more liberal attitude toward the families of children with less reliance on legal barriers and more reliance on personal contacts through social service departments or through members of the staff in creating the feeling of understanding between relatives and the orphanage personnel. In other words to attempt to educate and to bring the family along in our efforts to elevate the child so that when the child leaves the orphanage there shall be less danger in their con-

PATTERSON CHURCH AGAIN LEADS SYNOD

In Per Capita Giving of 1939-1940.— Concord First Takes Second Place

For the second year in succession, Patterson Church in Concord Presbytery takes the topmost rank in the North Caroina Synod in the per capita amount contributed to Barium Springs during the 1939-1940 fiscal year. Patterson Church occupied the pinnacle perch at the close of 1938-1939, and that congregation continued to display a liberality that enables this distinction to be accorded the members there again in the fiscal year that closed last March 31st.

The second-place occupant last year, Reynolda Church in Winston-Salem Presbytery, was displaced by Concord First in 1939-1940, and Reynolda had to sink back to fourth place when the Morganton First Church made a jump from 60th position to third place. It is interesting that the three leading Churches in the North Carolina Synod in per capita giving are from Concord Presbytery. Of the highest ten, Concord Presbytery has four churches, Winston-Salem Presbytery three, Mecklenburg two, and Orange Presbytery one.

To Mount Horeb Church in Wilmington Presbytery goes the distinction of making the greatest jump in ratings among all the North Carolina Churches. Mount Horeb leaped 102 places to take over 38th position, as compared wtht 140th in 1938-1939. Other notable increases in per capita giving were Stoneville in Orange, which jumped over 90 churches; Harmony in Wilmington with a leap over 80 churches, and Morganton, which gained third place by advancing over 57 other churches.

There were 76 churches in the Synod which met the minimum amount of $1.20 per church member to operate the Home. This is six less than in 1938-1939. Newcomers to the group reaching the minimum were Mount Horeb, Madison, Stoneville, Lumberton, Bethany (C), McPherson, Iona, Harmony (W), Mooresville First and New Hope (W). That was an additional 10. The 15 dropping from the $1.20 average were Biscoe, Smyrna (F), Greenville, Centre (C), LaGrange, Rockingham, New Bern, Laurinburg, Trinity Avenue, Burlington Second, Buffalo (G), Maxton, Elizabethtown, Wilmington First and Mount Holly.

In addition to the 71 averaging $1.20 or more, 28 churches rated an average between $1.00 and $1.20; 60 averaged between $0.75 and $0.99; 82 between $0.50 and $0.74, and 108 churches had averages ranging from $0.25 to $0.49.

Below will be found the names of all churches averaging as much as 25 cents to the Home in 1939-1940 (if your church is not listed, it means that the average was less than 25 cents, barring human error in preparing this copy for The Messenger).

1939-1940 Rank	Church	1938-1939 Rank

News From Some Of The Cottages

JENNIE GILMER

Hello Friends,

Pardon our invasion of this column, but we have a few things to tell you. It isn't very often that we write cottage news.

Summer has been in full swing for quite a while now and with summer in full swing, that means we also are quite active.

Joe White and his newly formed campus group are really doing a fine job of beautifying the campus. The rose bushes along the highway were cut, the grass on the campus is being mowed, campus trees are being pruned and scores of other things that help the general appearance of the campus are being done.

Mr. Erwin's boys are giving the the barns and other buildings here a new "suit"- of paint. At the rate they are going, we'll have a brand-new Barium Springs when school starts.

Barium's one and only softball team, under the management of "Cap" Jackins, has been going to town lately. They've lost only two games and are leading the league that is in existence in this neighborhood.

The swimming pool is usually full these hot days. It sure feels good after a hot day's work.

A good sized crowd of our boys went to camp last week; another bunch is there now. We feel sure they had and are having a grand time there.

Our list of boys on vacation has grown so large that we won't take the space (or effort) to call names, but we sincerely hope they are having a good time.

We've been getting quite a few apples and some peaches lately. As you probably already know from last month's Messenger, our peach crop was very badly damaged by cold weather.

The farmers have finished filling the dairy barns with alfalfa. Now, they are in the midst of threshing. Much to the sorrow of the entire crew, Dan, one of the first colts we had, died last week.

A new time and labor-saving machine has just been installed in the printing office. It's an automatic-feed Babcock press. This paper is the first issue printed by it. The boys sure do like it. (Can't hardly blame them.)

Well, as we've already taken our share of this column, we'll say "so long".

ALEXANDER

S. O. S.! S. O. S.! This is Alexander's Ragtime Band broadcasting over POH, Barium Springs.

A lot of our boys are on their vacations. Some more are going to leave Saturday. We hope they are having a good time.

We have a new matron for this week. She is Johnny Burgin, who is here while Mrs. Marshall is at the camp.

We are having a good time playing baseball and softball. Swimming is also one of our pastimes. Our best outfielder is John Lee. At the present he is on his vacation.

Last week there were only six boys on the dairy to milk 42 cows.

ORCHARD

This is the orchard once again, coming to you through the facilities of the B. P. P. (Barium Printing Press.)

We've been working mighty hard these last few years trying to get the best fruit in North Carolina. It may not be the best to everyone, but it sure is to us.

This winter Mother Nature seemed to get jealous over all the fruit we've been raising, because she froze most all of our peaches. We will still have a few to eat, however. There will not be any to can.

To keep things on the cheery side, let's talk about our apples. Apples galore! There'll be no lack of them.

These last few weeks we've been canning beets, beans, pickling cucumbers and making kraut. This kind of work keeps us busy.

The orchard is a very interesting group. With the variety of fruits, our canning and the ways to tend fruits, we make this statement. Come one, come all, and let us show you the orchard and all - that goes with it.

BABY COTTAGE

Hello Folks,

The babies are back with you to report about our doings for this month.

We all went down to the spring on a picnic last week. We waded in the branch and had a good time.

We had visitors from Mooresville, Mount Holly, Charlotte, Durham and Orangeburg, S. C. We hope all of you enjoyed your visit and will come back again.

The boys visited Charles Smith's chickens and guinea pigs. He almost has a farm and we enjoyed the visit very much.

Thanks to the members of the D. V. B. S. for 18 lovely spreads for girls from Mooresville and to the Auxiliary Circle who sent us one dozen of lovely spreads for boys.

Two of our boys were guests at the birthday dinner. They were Everett and Richard Vest. Jane Feimster had a birthday this month.

Thanks a whole lot, Mr. Sams, for inviting us to see "Call A Messenger". We enjoyed it a great deal.

July 5, 1940.

HOWARD COTTAGE

Hello Folks,

We are glad to be writing you again.

Since the last time we wrote you Helen Hawley and Mary Anne Ryder have gone on vacations. We all hope they have a nice time.

May Frances Isenhour, Mattie Pearl Denson, Grace Morgan and Sadie Grey Buie had visits from their people.

We go in swimming every day.

Miss Lulie Andrews showed us a show the other day. We all liked it very much.

There are plenty of beans for us to string these days.

We want to thank Mr. Sams for inviting us to see "Call A Messenger". We enjoyed it very much, Mr. Sams.

Betty Lou Davis, Ernestine Baldwin, Mildred Monroe and Mary Frances Isenhour are spending this week at camp.

Good-bye until next time.

WOMAN'S BUILDING

Hi Folks,

Another month has rolled around and we are here again to give you a synopsis of the news that has happened around our cottage.

Vacations are in full swing. About 12 of our girls have gone on vacations, and seven more are planning to go this week. There have been two camps this month to which many of our girls have gone.

It is hard to describe the good times we have at camp. Our camp gets more beautiful every year.

On the Fourth of July we entertained our friends. Each girl invited one guest. We played Chinese checkers and hearts. The tables were decorated with holly hawk dolls. Grace Adams got the highest score in hearts. Mr. Milton won the Chinese checkers. Mary Ann McCormick, who was dressed as Uncle Sam, was the official hostess. She was assisted by Glenn Lindsey and Mable Shoaf. For refreshments we had Uncle Sam's birthday cake on which there were 164 candles. Pink lemonade was also served.

Last, but not least, we have a new matron, Miss Lorena Clark, whom we like very much. In the short time she has been with us she has done a great deal for us.

RUMPLE HALL

Hello Everybody,

This is Rumple Hall back on the air.

First, we would like to thank Mr. Sams for the nice trip to the show to see "Call A Messenger". We all enjoyed it a whole lot.

Lula Belle and Janie Hall, Frances Bowles and Toni DeLancey have gone on their vacations. We know they will have a grand time.

Some of the girls' mothers have been to see them since you last heard from us. Mrs. Buie came to see Peggy, Dixie and Dewey Belle Buie, and Mrs. Whitfield came to see Gloria and Gilda Whitfield.

Our matron, Miss Reid, went on her vacation Monday and we hope she has a nice time. Miss Brandon is our matron now and we enjoy having her.

We are happy to have Miss Neil back with us again and hope she will stay.

A group of our girls went to camp Monday and we hope they have a good time.

Two of our girls went to Mitchell Conference. They were Pat Hooten and Mable Vinson. They came back telling what a good time they had.

We are slowly but surely signing off for this month. Look for us again next month.

—Mable Vinson

July 2, 1940.

ANNIE LOUISE

Hello Friends

Since we wrote you last Nellie Isenhour from Concord has come to live with us. She is at Camp Fellowship this week.

Nellie Isenhour and Sadie Cauthen have just had visits from their folks.

Hilda Barnes, Frances Strickland and Ethel Brotherton have come from the Baby Cottage to live with us.

Gertrude Bryant and Lorena Hall have gone on their vacations. We miss them very much.

We have been having a lot of nice apples for the past week.

Last week some friends from Mooresville brought us some games, picture puzzles, funny sheets and magazines. We certainly are enjoying them.

We were invited to see "Call A Messenger" last week. The picture was good and the comedy "Tom Thumb" was just fine. Thanks a whole lot, Mr. Sams.

We are learning to swim and we have lots of fun in the pool these hot days.

Be looking for us next month.

—The Annie Louise Girls

SYNOD'S COTTAGE

Dear Friends,

Vacation time has started and we are all excited. Dwight Spencer is the only one who has been. Donald Pettus is going Saturday.

Miss Taylor, our matron, is at camp this week. We are glad that Miss Martha Adams, one of the college girls, is with us.

We have been enjoying going in swimming and playing baseball.

Some of us have been picking blackberries. We eat as many as we pick.

This is all the news this time.

—The Wigglers

FOOD FOR THOUGHT

The greatest sin—fear.

The best day—today.

The biggest fool—the boy who will not go to school.

The best town—where you succeed.

The most agreeable companion—one who would not have you any different from what you are.

The great bore—one who will not come to the point.

A still greater bore—one who keeps talking after he has made his point.

The greatest deceiver—one who deceives himself.

The greatest invention of the devil—war.

The greatest secret of production—saving waste.

The best work—what you like.

The best play—work.

The greatest comfort — the knowledge that you have done your work well.

The greatest mistake—giving up.

The most expensive indulgence—hate.

The cheapest, stupidest and easiest thing to do—finding fault.

The greatest trouble maker—one who talks too much.

The greatest stumbling block—egotism.

The most ridiculous asset—pride.

The worst bankrupt—the soul that has lost its enthusiasm.

The cleverest man—one who always does what he thinks is right.

The most dangerous person—the liar.

The most disagreeable person—the complainer.

The best teacher—one who wants to make you learn.

The meanest feeling of which any human being is capable—feeling bad at another's success.

The greatest need—common sense.

The greatest puzzle—life.

The greatest mystery—death.

The greatest thought—God.

The greatest thing, bar none, in all the world—love.

A man's reputation is a blend of what his friends, enemies and acquaintances say behind his back.

Shine Fleetwood, South Georgia tobacco king, claims that there is a girl living in Ty Ty, Ga., whose name is Lulu Bobo, and on the Dixie Highway through Tennessee the names of some of the places are "Helen Wood," "Ruby Falls," and "Katy Did".

An Englishman driving through our country for the first time read the highway sign - DRIVE SLOWLY - THIS MEANS YOU. "By Jove," he said, "how did they know I was here".

Dumb Dora says: "Man is merely a brag, a groan and a tank of air."

LIFE'S LOVELY STILL!

So long as there are budding flowers, and trees and ferns in cool green glade; so long as happy children smile - our hearts shall still be undismayed! . . . We still shall hear the inward voice that never fails to charm and cheer, when once we've learned, of Mother Earth, the happiness that's NOW . . and HERE! . . Yes! Life is lovely! - spite of all the ills that hurt humanity; for nought's so ill that Beauty's touch must wholly unvailing be! . . There's nought so evil but bright faith can triumph over black despair - so long as ecstasy proclaims that buds and children breathe this air!

There are but two kinds of people in this world. Those who strive for what they can get out of it and those who always strive to leave something in it. The latter have the better chance for success.

Having discovered that the stenographer had been filing the correspondence without answering it, the boss demanded the reason.

"Well", said the fair typist, "I thought those fellows would write again if they were really in earnest."

It requires years of practice to be able to read the morning paper, eat breakfast, and appear politely interested in what your wife is saying, all at the same time.

Perfect Attendance and Reading Awards

During the scholastic session of 1939-1940, 104 of the boys and girls attending school at Barium Springs had perfect attendance records, meaning that they were neither tardy nor absent during the eight months that school was in progress. Of these, 67 were in the elementary grades and 37 in the high school. The names of those making this unusual record are as follows:

First—Hilda Barnes, Clara Mangum, Charles Stevens, Lucille Stinson.

Second—Lorena Hall, Mary Morgan, Kathleen Monroe, Melva Powell, Catherine Stevens.

Third—Curtis Baldwin, Johnnie Ferguson, Jack Mangum, Herman Smith, Annie Star Langley, Ila Lee McBryde, Mable Pearson, Dorothy Shephard, Betty Williams.

Fourth—Ernestine Baldwin, Sadie Gray Buie, Betty Coffey, Mattie Pearl Denson, Violet Knight, Elizabeth Langley, Mildred Monroe, Grace Morgan, Pearl Morgan, Virginia Presnell, Juanita Shephard, Betty Jo Smith, Grady Mundy, Lucile Stricklin.

Fifth—Frances Bowles, Marion Coffey, Betty Lou Davis, Janie Hall, Dudley Monroe, Robert Lee Pearson, Mary Belle Reid, Mary Ann Ryder, Dwight Spencer, Lucille Smith, Lee Vinson.

Sixth—Bennett Baldwin, Herman Blue, Kenneth Cammer, Amos Hardy, John Hawley, Walter Zeigler, Faye Blue, Lillian Cranfill, Jewel Dunn, Lula Belle Hall, Adelia Knight.

Seventh—Grace Adams, Peggy Lou Buie, Jean Fletcher, A. C. Gant, Charles Hooten, Leona Hall, Hattie McKee, Crosby Mundy, Jackie Newman, Martha Price, Mary Alice Stevens, James Shepherd.

ALTERNATIVES

Not what we have, but what we use;
Not what we see, but what we choose—
These are the things that mar or bless
The sum of human happiness.

The things nearby, not things afar;
Not what we seem, but what we are—
These are the things that make or break,
That give the heart its joy or ache.

Not what seems fair, but what is true,
Not what we dream, but good we do—
These are the things that shine
Like stars, in fortune's diadems.

Not as we take, but as we give;
Not as we pray, but as we live—
These are the things that make for peace,
Both now and after time shall cease.

Final Distribution of '39-'40 Income Listed

The final tabulation of regular income for 1939-1940 has been prepared. In a nutshell, $20,030.74 (44.2%) regularly came from Sunday Schools; $15,913.24 (35.1%) from Church budgets, and $9,390-.25 (20.7%) from Auxiliaries. The net increase in regular gifts was $684.09. Church budget and Auxiliary giving showed decreases of $431.37 and $216.96, respectively, but an increase of $1,332.42 from the Sunday Schools made possible the net gain.

According to Presbyteries and the main sources of gifts, the following was the distribution of $45,-334.23 regularly received last year:

Presbytery	Ch.	S.S.	Aux.
Albemarle	$ 549.32	$ 1,496.26	$ 1,079.80
Concord	2,986.17	3,365.68	985.66

Alumni News

MARRIAGES.

Culp-Williams.

Miss Linda Culp, of the 1937 Class, was married to Samuel T. Williams on January 19, 1940, the marriage taking place at Suffolk, Va. Linda has been living in Fayetteville but since her marriage she has been living at 316 Carolina Ave., Suffolk, Va.

Cranfill-Holder.

On December 1, 1939, Miss Helen Cranfill who left Barium two years ago was married to Howard Holder. Helen had been living in Charlotte but her present address is Route 3, Box 133, Lillington.

Seymour-Wicker

Announcements have been received at Barium Springs of the marriage of Miss Lillian Wicker to Lieut. Rudolph R. Seymour, the marriage taking place in Raleigh on Saturday, June 15th. Lillian will be remembered here as a graduate of a few years ago and since finishing at Barium Springs she has been working in Raleigh, and has visited here several times. No information was available as to where Lieut. and Mrs. Seymour would be located.

BIRTHS.

Mr. and Mrs Edward Burney, of Waynesville, N. C., announce the birth of a daughter, Jo Kay, on February 4th. Ed. graduated from Barium in 1935.

Mr. and Mrs. Graham Long, of Charlotte, announce the birth of a son. The exact date of the young man's arrival is not known, and neither is the address of these proud parents.

Mr. and Mrs. Ed Kipka, of Mooresville, announce the birth of a daughter, Sarah White, on February 19, 1940. Mrs. Kipka was the former Fannie Whitlow and graduated in 1930.

Mr. and Mrs. Pauline Shaver Kurdian, of Route 1, Winston-Salem, announce the birth of a son.

Mr. and Mrs. Lee West, of Salisbury, announce the birth of a daughter in the early part of 1940.

Milton Gaskill, Joe Mike White, Dewey Barnhill and Roy Wilson, all of the class of 1936, graduated from Appalachian Teachers' College at Boone in May. Ernest White, also of the same class, will be awarded his diploma after a six weeks' course this summer. He changed his course and this necessitated some extra work on his part.

Janie Lyons, of the 1937 class, graduated from Presbyterian Hospital in Charlotte in May.

Matoka Torrence graduated this June from Woman's College of the University of North Carolina in Greensboro.

Lacy Adcox, who finished here in 1939, has joined the army. In January he was in California, waiting to go to Hawaii. His address then was Fort McDowell, San Francisco, Calif., but he's probably over in Hawaii now.

Some new addresses recently obtained from alumni of Barium include:

Mrs. Mary Lathan West Sullivan, 812 Lancester Road, Richmond, Va.

Mr. and Mrs. James Hannon, 127 Woodlawn, Charlotte.

Dennis Boyette, 3564 80th St., Jackson Heights, N. Y. (He is chief clerk to the General Eastern Freight agent of the Atlantic Coast Line in New York.)

George Nungezar, 117 N. Wilmington St., Raleigh.

Ray Shaffer, Park Ave., Charlotte. (Ray has opened a cafe in Charlotte.)

Brandon Glasgow, Box 602, Black Mountain.

Mrs. Frances Boyce Louboff, 540 Concord, Detroit, Mich.

Mrs. Martha Boyce Beal, 3727 S. E. Franklin, Portland, Oregon.

L. M. McManen, of the '18 class, Hollywood Theatre, Winston-Salem.

Recent graduates return to the Home here so frequently that no attempt is made to keep a record of those on the campus. The visits of the "old-timers" are more infrequent. It so happened recently that two of these came back to Barium Springs on the same Sunday. One was O. D. Kirkland, 102 Forest Hill Road, Durham, and the other was L. L. McLean, of Orangeburg, S. C. Mr. Kirkland was the 46th child accepted into Barium Springs and came to the Home in 1892, graduating in 1900. Mr. McLean came in 1899 and finished in 1908. Both were here one year together, and it is seriously doubtful if either had seen the other since graduation. Mr. Kirkland's brother, W. B., also a Barium graduate, resides in Durham, too. His address is 115 S. Seeman Street.

J. D. Beshears, 1939 graduate who was located in Schoolfield, Va., is now working in Statesville. There is quite a colony of Barium boys and girls in the neighboring city. Many of them are frequent visitors to the Home here. The biggest concentration of Barium alumni, though, is in Charlotte. A survey of the roster shows that 80 are in Charlotte, and when individuals in that city check and correct the list no doubt a good many more names will be added.

Eston Lackey, graduate of the high school and son of Mrs. J. D. Lackey, who is matron at the Barium Springs laundry, has been named as an assistant line coach at Georgia Tech. He began his duties at the 1940 spring practice. Eston completed his football career at Georgia Tech by a stellar performance in the Orange Bowl game, when Tech was the conqueror. Eston was preceded at Georgia Tech by his brother, J. D. Lackey, who also made a name for himself as a Georgia Tech football performer.

Frank Purdy and John Lee, both graduates of Barium Springs, as well as graduates of Davidson College, are now in Grand Rapids, Mich., where they are taking a special six week's course of the General Finance Corporation. Frank has had his preliminary training in Charlotte and John in Statesville.

886 Organizations Had Part in '39-'40 Receipts

A total of 886 organizations out of 1,486 in the North Carolina Synod participated in tne regular support of the Barium Springs Home during 1939-1940. Of the 535 churches, reports were received from 310 budgets; of the 543 Sunday Schools, regular gifts were welcomed from 294, and of the 408 Auxiliaries, regular sums arrived from 282.

This was 14 more organizations than aided in 1938-1939. Ten more church budgets reported allotments to Barium Springs, and nine additional Sunday Schools had a part in the regular gifts. That was 19 more, but since five less Auxiliaries responded, the net gain was 14 organizations.

A good many others that made no regular responses to Barium Springs gave at Thanksgiving-time. The following tabulations deal alone with regular receipts.

what alumnus comes from the most distant point; it will be enlightening to know which alumnus or alumna has the largest family; it will be further interesting to see who is the oldest alumnus, in point of graduation.

As an aid in compiling a more complete list of alumni, each alumnus is urged to sit down and write to Miss Lucille Burney, of Barium Springs, who is secretary of the Barium Springs Alumni Association, and give her the names and addresses of all the alumni with whom they are familiar. Every alumnus is invited, but a special notice will be sent to all whose names are on the Secretary's list next year.

Visitor: "Who is the responsible man in this firm?"

Office Boy: "I don't know who the responsible party is, but I'm the one who gets the blame."

Life, for most of us, is a continuous process of getting used to things we hadn't expected.

Sunday School Leaders In Synod

A crowded page devoted to Sunday School giving in the June issue of The Messenger prevented a re-arrangement of the Sunday Schools of the North Carolina Synod which averaged as much as 50 cents per person in their contributions in 1939-1940. However, the type was held over and this recording of what are generally termed the leading Sunday Schools is available in the July issue.

As pointed out last month, a great many of these "leaders" could never make the $100.00 Sunday School Club because of a limited enrollment, but the liberality of those affiliated with the Sunday Schools is so pronounced that these high places in the rank are possible.

The 71 Sunday Schools averaging as much as half-a-dollar last year in regular gifts are as follows:

CAMP FELLOWSHIP

(Continued From Page One.)

but it is not because of any discrimination; it is because someone else asked for it first.

Those affiliated with the Men's Fellowship Club in the Charlotte Second Church are truly entitled to feelings of gladness that their liberality made possible such a grand camp as that which exists on the Catawba River. The praises of this group and that individual in another state who also helped have been repeatedly sung by all who have visited it and enjoyed its privileges. Each passing year sees some improvement made in beauty and effectiveness.

In addition to the enjoyment of the children going to camp, it has been a source of great good will in this neighboring section. Occasionally, a party might be temporarily provoked and disappointed that the camp has already been engaged, but when they consider the fairness exercised in granting permission to use the facilities, then this momentary disappointment subsides and a hope is expressed that they will have better luck next time in obtaining it.

Two Or More?

Do you get more than one copy of The Barium Messenger in your home? If so, won't you please use one of Uncle Sam's postal cards and notify the Orphanage to that effect? The extra name will be promptly deleted from the mailing roster of The Messenger. Please designate which name to eliminate in case the paper reaches your home under two separate names.

MONTREAT CONFERENCE

(Continued From Page One.)

tacts with their relatives. This is in line with the increasing policy to recognize the salvaging of a family as a thing as worthwhile as the saving of a child. The recognition of a responsibility in the welfare of its graduates was acknowledged by all as a definite policy, this responsibility extending to the upper levels (college candidates) as well as to the lower level (less favored children who might be unable to take even a high school education). This responsibility while being recognized by all, embraced financial responsibility in all but one of the orphanages reporting.

"In the treatment of less favored children there is increasing tendency to utilize other agencies and methods in working out this very difficult problem. For instance, boarding schools are sometimes used to better fit a sub-normal child for its future life rather than a continued institutional program.

"In the consideration of behavior and the best methods to induce good behavior a detailed study was made of the plan in operation in the Texas Orphanage and while this plan did not receive the entire endorsement of the group it was accepted in principal. There was a distinct and wholesome tendency noted against any hard and fast set of rules for meting out punishment for certain specific irregularities, but a greater desire to get at the cause and remove the cause rather than too much punishment for the fault after it was committed. One institution quoted most encouraging results by consultation between case worker and matron or teachers to find the cause of persistent misbehavior. It was noted that in most instances the cause could be discovered and thus the defect intelligently remedied.

"In the study of the finances of the orphanage there was a unanimous expression of a desire to get forever away from high pressure sob-story methods of raising money, to discourage the exploiting of children in any way in an effort to raise money and increase a wholesome personal contact between the giving public and its beneficiaries, the children in the orphanage. It was noted that the giving of organizations that visited the institution and entered into its life for even a brief period of time was stimulated and became more spontaneous. The giving of Sunday Schools while not totaling as much in actual returns from other organizations was encouraged as it meant the continual education of the younger members of our Churches in this part of the Church's work.

"A most interesting sidelight in this discussion was the fact that it has been noted that when these Sunday Schools increase their givings to the orphanage they invariably increase their givings to other causes. 'They come to see the orphanage, they become interested, they give more, the pleasure they get in thus having a part in this phase of our church's work encourages them to want to share in the other causes also.'

"At a meeting held Friday afternoon the orphanage group discussed the policy of retirement pay for its employees. Dr. Sweets was present and discussed plans along this line embracing all of the Church's employees outside of the ministry. The orphanage group expressed interest in the efforts being made to establish a plan similar to the Ministers' Annuity to cover the employees of our institutions feeling that this might be a better plan than to attempt to handle this matter in each institution separately.

"At its final meeting the orphanage group re-elected for another year the same officers who served this year. A full attendance was urged for the Educational Conference every year, and it was tentatively planned to have another house party with additional group meetings in 1944 similar to those held this year."

Lady Motorist - "Oh, constable! Just fancy! And I thought you were pulling me up for speeding!"

Cohen: "You say she's a good looker."

Ikey: "Good looking! Oi, Oi, you can't describe that girl with two hands."

Mr. Newlywed: "This steak has a queer taste. Did you burn it?"

Mrs. Newlywed: "Yes, just a little, but I rubbed Ungentine on it immediately."

A picnic is an event where everybody takes olives and potato chips and wonders why there isn't enough fried chicken and corn fritters to go 'round.
